

Devote yourselves to prayer, being watchful and thankful. And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should. -Colossians 4:2-4

Prayer Guide

Prayers Walks are a great way to develop a heart for our neighbors. Praying with eyes open may be new to some of us, but seeing what is around you on a prayer walk is part of the process. The things you observe can prompt specific and thoughtful prayers. We've provided a couple of example prayers and a set of ideas/prayer starters.

Example Prayers:

Father, reveal Yourself to my neighbor. Open their eyes to see You. Send out your light and your truth to guide them in this life. Lead them to you, so they may take to heart your gospel and salvation. Remove any obstacles that hold them back. Save them and set them free, Lord. Turn them from darkness to light.

Lord, bless the family who lives in that house. Bring them peace and unity. Break down any divide in the home. Protect their marriage, their jobs, their parenting relationships. Cause them to seek you for the satisfaction they desire in this life. And allow me to be a part of their faith journey and ultimately salvation in Jesus' name.
